Eat within 2 days, either cold or reheated. The coleslaw can also be kept separately in a sealed container in the fridge and eaten within 2 days but the rice is best eaten immediately.

#### Mozambique

The dish itself, Peri Peri Chicken, actually originated in **Mozambique**, I am told. The words “Peri Peri” is translated from “pepper pepper” in Swahili.

The peppers, like most in Africa, arrived with the Portuguese, who had encountered them during their colonialization of the Americas.
